3. ABSENCE PROCEDURE

- 3.1 When a pupil is expected to attend, it is the requirement that parents contact the school to report the absence.
- 3.2 Parents should contact the school by **9.30am** with a reason for absence. Parents should maintain daily contact with school for the period of absence unless otherwise advised.
- 3.3 If there is no contact from parents to advise of the reason for absence school will **make a first day response call to the parent**, this may also include the school contacting other emergency numbers or undertaking door step visits.
- 3.4 Parents of children who are not expected or eligible to attend do not have to follow the absence procedure. However, our school will follow up if children are not engaging or accessing remote education.
- 3.5 If children in our school have a Sefton social worker, we will complete and submit the first day response form daily to the local authority. If children who have a social worker are absent or not wanting to attend, we will work with the local authority first day response team to ensure they are seen face to face at least once a week
- 3.6 For children who have a social worker in another local authority we will maintain contact and follow what procedures they have in place to monitor the attendance.
- 3.7 If children in our school have an Education, Health and Care Plan we will submit their attendance on the first day response form to the local authority. Our school **will offer a place for the child throughout the lockdown period. We will make a first day response call if the child is absent and we have not heard from the parent.** We will request that the local authority contact the parent if it is appropriate.
- 3.8 If children are supported by an Early Help Plan, we will liaise with the family's early help worker/ named early help worker who is the point of contact family wellbeing centre.

3.9 For children who are not on any plan if our school cannot make any contact by telephone or doorstep visit after 10 days, we will contact the local authority. If we have any concerns, we will contact the local authority before 10 days.

5. LEGISLATION

5.1 Under the Corona Virus Act 2020 section 17, has currently disapplied 444(1) and (1A) of the Education Act 1996. The notice states that "It is therefore, appropriate and proportionate to temporarily disapply section 444(1) and (1A) so that parents can be sure that keeping their children out of school during this period will not expose them to a risk of criminal prosecution and conviction. It remains a parent's duty to ensure that their child of compulsory school age receives a suitable education during this period in whatever way they can under section 7 of the Act."

5.2 During the period the school cannot request any enforcement procedures to be undertaken by the local authority.

6. SUPPORT
